**THE LITTLE
MERMAID**
MAGIC IN TWO KINGDOMS

To hear Sebastian sing it, life under the sea is much better than life on dry land. But is it really? One curious little mermaid named Ariel would certainly like to know. After Ariel rescues a sailor-prince named Eric, she decides there is only one way to find out for sure. She trades her melodious voice with a sea witch for a set of lungs and a pair of legs, and with her friends at her side to lend a fin (or sometimes a claw!), she swims all the way up to dry land to see it for herself. But will she find what she's looking for?

THE LITTLE MERMAID'S MANY

Ariel and her friends need your help to overcome many challenges under the sea and on dry land. You'll find lost treasure, chase slippery eels, dodge chunky chefs, and save the undersea kingdom from a sea witch and her slimy tentacles. But will she find what she's looking for?

Searching for Treasure

Where is Ariel? Out with Flounder hunting for treasure, of course! Ariel can't fit into the small places, so Flounder has to get the treasure himself. Don't take too long or a shark might come to spoil the fun!

A PUZZLING SHELL GAME

One treasure is very difficult to reach because it is locked in a box. Help Ariel open the box by moving the shell from tile to tile to see what's underneath. If you find all the Shell Tiles, you will unlock the box and collect the treasure. But if you find a Shark Tile, you will have to start all over again!

Break the Spell

Ursula the sea witch has disguised herself as Vanessa and cast a charm on poor Prince Eric. There is a wedding planned for sundown, and Ariel has only until the sun sets to stop it. Ariel and her friends must break the spell as Vanessa walks across the wedding lounge on her way to the wedding ceremony. Hurry!

CONTROLS

Watch for button symbols and press the right buttons on your CUBA as they appear. Hit the buttons correctly several times to fill up Vanessa's halo and distract her from her walk. Every time you distract Vanessa, you will get a chance to break part of the spell. If you miss, the halo will empty, the charm will remain in effect, and Vanessa will keep walking to the wedding. And if you wait too long, the charm will regenerate, so don't waste time.

Battle with Ursula

Ursula thinks she has won, but Eric has something to say about that. He has taken control of a ship, and with it, he intends to put the sea witch back in her place.
